## **Presents**

# ***Free***

# **Open Play**

# **Saturday**

On the last Saturday of the month at noon, ***Outlaw Paintball*** will be hosting an open play day. This day is primarily designed for the intermediate level of player, but new players are welcome as well. Admission will be **FREE** for anyone that has their own gun and mask, and a limited number of guns will be available for rental for \$10. Paint will be offered at a special price of \$5/100. The only way that I will keep everyone updated as to when we will actually be going out will be by email. My [work schedule](#) does not allow me to be off every Saturday ☹ If you or a friend would like to reserve a gun, please call to make a reservation.
